"If you risk nothing, then you risk everything."

"Some people come into our lives and quickly go.

hearts and we are never the same."

-Anonymous

"Another turning point, a fork stuck in the road. Time grabs you by the wrist, directs you where to go. So make the best of this test and don't ask why it's not a question but a lesson learned in time. It's something unpredictable but in the end it's right. I hope you had the time of your life."

-Green Day

"All our dreams can come true if we have the courage to pursue them."

\_Walt Disney

"And as the years go by, our friendship will never die. You're Toy Story

Bulldog pride has finally returned to the Canton football team. After joining an independent schedule, the bulldogs have had an impressiv 7-2 record going into Turkey day facing their rival Black Knights. Led by junior quarterback Paul Amicangelo, senior wide receiver Ensle Cotard and senior running back Greg Eardley. The Bulldogs offense has increased dramatically since last year's season.

A strong offensive front set up senior center Pat Wetherbee and guard Connor Sheehan have also been important contributors. With a constart effort and high level of skill the offense continues to roll as the Bulldogs have beaten the majority of their opponenets. A huge win for the team came when they beat their once hockomock rival season.

The Bulldogs defense remains to be one of the best in Eastern Massachusetts, led by senior captains Mike Brown and Pat Ward with junic lineman Ilya Wortman. The Bulldog defense has held their opponents to an average of ten points a game; this included two shut out victoric during the season. The newlyrevived Bulldogs are confidently looking for a final victory against their rival Stoughton to close out their tun around season. We have faith that they'll carry this out with ease. Go Bulldogs!

Including seniors, Melanie Becker, Faye Lambropoulos. Astrid Portillo. Liz Slaney, with especially positive influence from Kaitlin Kandler and Sheila Kelly. Kandler's "glowing personality" inspired her team to work their hardest at each practice and meet. Because of her leadership she won the sportsmanship award for the second year in a row. Sheila Kelly has also been a huge contributor. Her effort is consistent and she has a strong backstroke. Amanda Eleuteri has shown dilligence and dedication and was awarded the coach's award.

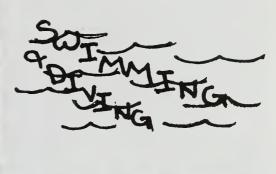

The girls' have done a great job. Next season with the new talent looks great.

Canton High's boys' cross-country team had its best season in a long time. The team finished four sports higher than last years finish and has a regular season record 5-4. Out of 32 teams Canton a respectable 10th. A pleasant surprise was the development of freshmen Kevin Fitzgerald who finished 38th out of 250 runners. Sophomore, Brenden Barruci also improved in huge ways throughout the season. Other runners who worked hard and demonstrated consistent effort were freshmen, Josh Cohen, Mark Burne, Eric Woods, sophomore, Peter Demas, and juniors, Brendan Lindquist and Dave Rohr. Graduating senior, Aaron Okun's skill and leadership will be missed and hard to replace.

The team's record in no way reflects he effort put into the season. One of the eam's premiere runners, Lauren Caggiano was out due to illness so the eam was led solely by senior, Megan Kearney. All the team ran hard and improved as the season progressed. They finished with an effort to be proud of.

Senior, Megan Kearney showed an excellent improvement. Her leadership and consistent effort had a positive influence on her team as they followed her lead. Freshmen, Alex Reagan, sophomores, Liz Ryan, Sara Kantrowitz, Jess Pezone and junior, Becky O'Brien all nelped by contributing their best efforts.

This being the second year for the girls' volleyball team the outcome is truly unbelievable. They went from last year's season of 3-11 to exceeding all expectations and improving their record 13-7. They also qualified for the state tournament and won a first-round home match. The players put in 100% every time. Senior talent included Caitlin Souci, Danielle Rubin, Michelle O'Hara and Captains Erica Stoloff and Stephanie Bell. Consistent effort was also put in by sophomore Michelle Cawely and Hock-All Stars Ale Kuncatis and Amanda Eames. Leading the team were captains Michelle Hiltz, Angela Massaro, and Erica Novick. We such a small team some of the girls had to step up and work on events that they had never do before. Even with this problem the girls kept their heads high. They started off a little roc but they never gave up hope. Throughout the season the team succeeded, although not as as we have in the past but we managed to do the best we could to still place in the Hockomo League in a 3-way tie. Although the season came to an early end, the seniors leave the team wish the members luck for the upcoming years.

In the beginning the boys' goal was to make it into the ournament. To do this they needed to win at least ten games. # **Canton High Math Team**

This year the math team continued its tradition of hard work and success. Canton had a second place finish at the Worcester Polytechnic Institute Invitational, where they were awarded with scholarships and prizes. Traveling to schools all over Eastern Massachusetts, Canton stood as one of the most dominant teams in the Massachusetts Mathematics League, the Greater Boston Mathematics League, and the New England Mathematics League. Canton comes back this year looking to avenge third place finishes at last year's State and New England competitions.

Several seniors qualified for the second level of a statewide math competition, the Olympiad. Those who qualified are ranked among the tope 100 students in the state. Finally the Canton team is hoping to send a few of its members to the American Regions Mathematics League competition this year as part of the Eastern Massachusetts All-Stars. They will combine with the other talented mathletes in Eastern Massachusetts to compete on a national level. Last year we placed number two in the nation. Hopefully this year we will be able to capture the championship.

To fund the team's efforts, its members work the concession stand during home football games, sell doughnuts and bagels before school and sell coupon books. The team would like to thank the advisor, Mr. Martin Badoian, and the Assistant advisor, Mr. Bill Sweeney, for the countless hours of hard work. They have made the team what it is today.

A dedicated permanent writing staff, hardworking editors, and a committed advisor, Mr. Patrick Connor, worked together to make the *Spectrum* a newspaper that would appeal to Canton High School. Covering school related news, arts and entertainment, and CHS sports events, the *Spectrum* focused on the interests of students. Gathering student opinion through surveys, editorials, and feature articles, the issues of the 2002-2003 *Spectrum* reflected student opinion about clubs, school, and world issues. Not only did the editor staff of the *Spectrum* work on the production of the school newspaper, but also the staff spoke to a *Boston Herald* writer and took a fieldtrip to the *Boston Globe*.

I would like to thank Mr. Connor, the editors, and all of the writers. The enthusiasm of the *Spectrum* staff has made the newspaper an important outlet for student expression and opinion. Thank you to all the readers who have continually offered their ideas for improvement and have supported the *Spectrum*. It has been a pleasure to work with a group of such intelligent and creative people.

Mr. Thomas Healy has been teaching U.S. History and Political Science for 35 years. With his passion for history and his famous lingo with words like cottonpickin and bannans, he's won the hearts of all his students. His favorite part about teaching has always been the kids. He has always enjoyed his-

tory, but especially political science because since it's current, kids can become more involved. To Mr. Healy, a better sense of history helps us understand who we are. He has had so many good times he cannot pick a favorite. Mr. Healy has also done an amazing job coaching and teaching his students. Mr. Healy is a truly caring, truly unique and intellegent coach and teacher, who has made a difference at Canton High. We all love Mr. Healy and will miss him greatly.

Mr. Paul Scully has been teaching Psychology and the ocassional history course for 34 years here at Canton. His students know him as a kind, fun, fair and understanding teacher. He loves his students and enjoys having so many children of former students. His favorite thing about Psychology is the tremendous amount of insight it gives you into yourself and oth-

ers. It teaches you how to treat people. Mr. Scully has touched the lives of all his students. The students who have been lucky enough to have him know he's a special teacher, and person. We won't forget you Mr. Scully, don't forget us.

A graduate from Canton High, Mr.James Valin has been teaching history here for the last 40 years. However, he has not limited himself to classroom education. He co-wrote the textbook used for his well-loved Russian Studies course and has taken five groups of students to Russia. He also directed the musical for 4 years. Mr. Valin loves

interacting with students and the youthful perspective students bring. He loves how history gives you the ability to see the nature of humans and the changes the world goes through. We are all going to miss Mr. Valin and his enthusiasm and passion for history. He is a teacher who has truly changed Canton High for the better.

Mr. Henry Lukas is retiring as Principal. He has been a principal for 17 years including 3 that were shared with Canton High. Not only has he worked as a principal, but he also taught history for 15 years. As Mr. Lukas moves on, he will miss the clubs and activities that took place in school and being able to talk with numerous people ranging from students, faculty, and staff. He enjoyed attending

activities not only during school but especially after school and gave a great amount of support to the students. As he moves on, Mr. Lukas, hopes that more activities and clubs will be introduced and supported. We'd like to thank Mr. Lukas for the tremendous work he's done while at Canton High S hool and wish him luck as he continues his career in education.
